Selling Kisses**

*February 22, 2011 ~ Lewes, Delaware:* Beach Babies Child Care of Lewes presented Children's Beach House with a check for \$122 on Tuesday, February 22, 2011. The children, families, and employees of Beach Babies in Lewes raised the money through their annual *Kisses for Kids* program. From February 7 – 11, children, parents, and teachers had the opportunity to purchase Hershey Kisses for others and attach them to a special Valentine's message. The kisses were distributed at a Valentine's Day celebration on Monday, February 14<sup>th</sup>. "Each Beach Babies location runs their own *Kisses for Kids* campaign and chooses its own benefactor," said Latisha Lewis, curriculum coordinator for the Beach Babies Lewes location. "I chose Children's Beach House because of their work with special needs children throughout the state of Delaware."
